

City of Elliot Lake Official Plan Land Use Schedule 'D' Mineral Resources And Mineral Aggregates

Legend

- Municipal Boundary
- Provincial Highway
- Rural Roads
- Other Roads

- Geologically Significant Regions
- Areas of Moderate Mineral Potential
- Known Uranium Bearing Beds (In Part Mined Out)

- Tailings
- Tailing Waste Management Areas

- Mineral Aggregate Resources - Pits and Quarries
- Mineral Aggregates (Crown)
- Mineral Aggregates (Ministry of Transportation - ON)
- Mineral Aggregates (Other)
- Mineral Aggregates (Other)

- Mineral Deposits
- Developed Prospects, Raw Prospects, Occurrence
- Past Producing Mines with AMIS Number

Note:
Ag - Silver
Au - Gold
Cu - Copper
Fe - Iron
Ni - Nickel
Pb - Lead
U - Uranium
