

City of Elliot Lake

Media Release

January 30, 2017

FOR IMMEDIATE RELEASE

ELLIOT LAKE, ON. The City of Elliot Lake wishes to announce that as of Thursday February 2, 2017 the Business Incubator, located at 99 Spine Road, will no longer be in operation. The Business Incubator was a federally funded project for a span of two years to support local business and entrepreneurship in Elliot Lake and the surrounding area.

The Business Incubator was a successful project that met its mandate by working with over 100 clients, impacting 126 jobs. Various workshops and retail events were also hosted to support clients and existing businesses.

The City would like to express its appreciation to the staff, partners and funding agencies that enabled the project to be successful. Although the Business Incubator project is complete, there are still resources within the community for entrepreneurs and business operators.

For inquiries on business support you may contact the City of Elliot Lake's Economic Development Department who can assist with your endeavours or direct you to other resources in the community such as; ELNOS, Employment Options, East Algoma Community Futures Development Corporation, Northern Ontario Heritage Fund Corporation and FedNor.
